From No Fault Divorce and the Equal Rights Amendment of 1969, to the Child Abuse Prevention and Treatment Act (CAPTA) and the wave of feminism in the 70's, to the hysteria of child sexual abuse and mistakes made by the system in the 80's, to the Violence Against Women's Act (VAWA) and rush of "repressed memory" cases of the 90's, to a proposal for change and blueprint for dads on how-to remain in the lives of their children, Dean Tong looks back at fatherhood in America over the past 40 years – what went wrong and how-to fix it!
